By accepting this technology equipment, I commit to follow all the rules and procedures outlined in the Student Handbook when I use any type of technology provided to me by the school. I will use the assigned Chromebook or electronic device and other technologies as scheduled with my classes. Each student is loaned a computer device to be used for educational purposes during the school day. The device should remain in its original or teacher-set configuration. The student is fully responsible for this device and if damaged or destroyed will make full payment for the device or any needed repairs.
